Experience

Technical Work Experience:

- *Teacher assistant of Introduction to programming at Pontifical Xavierian University (July 2020 - November 2020).* Skills used:
 - C++
 - Leadership
 - Effective communication

Volunteer Work Experience:

- *Academic mentor at Pontifical Xavierian University (May 2022 - Present).* Skills used:
 - Effective communication
 - Leadership
 - Teamwork

Education

BSc, Systems engineering (July 2019 - December 2023) (expected); Pontifical Xavierian University (Bogota, Colombia)

Skills

Soft skills

- Teamwork
- Leadership
- Effective communication

Programming Languages

- C++
- Java
- Python
- Go

Other relevant tools

- Git
- Docker - Podman

- Kubernetes - Kubectl

- Github Actions
- AWS

Languages

- Spanish (Native Speaker)
- English (Fully-conversational)

Awards, licenses and certifications

- Academic excellence □ Related to: **BSc, Systems engineering at Pontifical Xavierian University** □ (August 2020 - August 2022)
 - **Docker Mastery: with Kubernetes + Swarm from a Docker Captain** □ Acquired from: Udemy □ (April 2022 - No expiration date)
 - **Exploratory Data Analysis for Machine Learning** □ Acquired from: Coursera □ (December 2022 - No expiration date)
-
